Welcome & Thank You for your interest in Paradise Pointe Golf Complex

The staff at Paradise Pointe Golf Complex is happy to assist you with every detail in building your custom golf outing package. We take pride in taking care of the details for our customers allowing them to socialize and entertain their guest and customers.

Paradise Pointe Golf Complex has established a reputation for hosting quality golf events. Our specialty is in working with corporations, charitable organizations, and golf associations to create unique and memorable event packages.

When planning for a tournament there are four key things that cannot be overlooked: planning around a budget, finding the right mix of value vs. cost, raise as much money as possible, and make sure all attendees have fun!

Golfers that are attending your next tournament are giving up their time and money for your cause. Most importantly, they are doing this for a fun day on the golf course. In the mind of a golfer, the value of a tournament is directly tied to the enjoyment they find in the event. Let the experts at Paradise Pointe Golf Complex help create the right atmosphere for you!

Best Ball- Take some of the pressure off by allowing teams to play the Individual Stroke method but accelerate the pace by permitting players to pick up if experiencing a bad hole. Play is in teams of two or four with the best score per hole recorded

Stableford- Play using golfers established handicaps and point system that encourages players to shoot their personal bests. Points are awarded based on golfers' net scores on the following basis: eagle- 4 points, birdie- 3 points, par- 2 points, and bogie- 1 point. The player with the most points wins!

Unique Options- Design your own format, with input from our Professional Staff, tailored to generate the most pleasurable outing for your group!
